

Mona Mohamed Mahmoud Khalil

Teaching assistant

MY BACKGROUND

I am a physics administrator with over 6 years of experience in teaching practical's physics, evaluate student's lab work, also teach theoretical physics tutorials.

MY JOB SKILLS

- - Motivated, well-disciplined individual
- - Finds joy in assisting others
- - Estimated for time and work under pressure
- - working Individually and teamwork

LET'S WORK TOGETHER!

Address: el max - Alexandria - Egypt

Email : pro.monna2020@gmail.com

Mobil number: 01281223121

01014602268

OTHER ACTIVITIES

When I'm not working, I read some books or drawing .organizing volunteering work .

CAREER HISTORY

Faculty of Science - Alexandria university (2013 - 2016)

- Physics Demonstrator for practical physics for 1st and 2nd year

Arab academy for science and technology (2014 till now)

- Physics Demonstrator for 1st year engineering student for practical physics lab and teaching tutorial for theoretical physics

EDUCATION & TRAINING

University of Alexandria

- **1-Bachelor of Science Faculty of Science 2012 (credit hours system)**
Department: Physics/ Chemistry .
General degree: very good
CGPA: 3.18/4
- **2-Master degree in physics (Solid States Physics) in 2018**
 - studying the optical and electrical of some polymers used as photovoltaic devices
 - there are two online research related to my study
 - 1- Dielectric properties and potential applications of alizarin yellow GG-Cu(II) complex film blended with polyvinyl alcohol
- 2- Synthesis and optical properties of alizarin yellow GG-Cu(II)-PVA nanocomposite
 - film as a selective filter for optical applications
- **3- Starting for studying the pre-Ph. Ds. courses.in 2018**
